Individual Profile Report Grade K-6

This report provides an overview of each student's individualized achievement. It includes all of the RRT Benchmark Assessment results for both ELA and Math (Pre, Winter, Spring, Post and Dibbles) from 2011-2012, 2012-2013 and the pre-assessment for the 2013-2014 school year. This profile is updated after each benchmark is given and is a great way to see each student's progress over time and should be included in your data discussions.

Learning Plan

This report details the standards that each student has not yet mastered. It can be used to have data discussions with students and can be shared with parents during Parent Teacher Conferences.

How can I access the Individual Profile and the Learning Plan?

Click on your **math period** and these reports are listed under **Benchmarks**. Change the document to a PDF and scroll down to see the report for each student in your class.

Partnership for the Assessment of Readiness for College and Careers (PARCC)

What can I do if my students are not doing well on the weekly PARCC assessment?

Use the RRT intervention lessons to reteach/reinforce the skill and use the assessment creator to design an assessment to meet the individual needs of your students. The priority standards for grades 3-6 have already been uploaded to the student's portal.

FASTT Math:

Reminder: All students in grades K-6 must complete their baseline assessment for FASTT Math by **October 31, 2013**. Please utilize the two (2) laptop carts.

Need additional Professional Development resources?

Multiplying decimals using area models (grade 5): <http://learnzillion.com/lessons/556-multiply-decimals-by-whole-numbers-by-using-an-area-model>

Understand Place Value in Terms of Power of Ten (grade 4): <http://learnzillion.com/lessonsets/1-understand-place-value-in-terms-of-powers-of-ten>

Distributive Property of Multiplication (grade 3): <http://learnzillion.com/lessonsets/226-apply-properties-of-operations-as-strategies-to-multiply-and-divide>

Building-wide Initiative: Fluency

As a reminder, 8:10-8:40 is the time designated for **math fluency**. If you are not able to complete your fluency activities during this time period please incorporate them in your math block. *The*

Mission of the Roosevelt Union Free School District is to educate the Whole Child to excel; thereby, ensuring achievement for all...Failure is NOT an Option.
