

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.cs.ny.gov](http://www.cs.ny.gov) or call 1-877-7-NYSHIP (1-877-769-7447). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other undefined terms, see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary/](http://www.healthcare.gov/sbc-glossary/) or call 1-877-7-NYSHIP (1-877-769-7447) to request a copy.

| What is the overall <u>deductible</u> ?                             | \$1,250 (\$625 for enrollees in positions at or equated to Grade 6 or below or earning less than \$38,651 for UUP) per enrollee, per spouse/domestic partner, and per all dependent children combined. The <u>deductible</u> only applies when you seek out-of-network services.                                                                                                                                                                                                         | You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use that are not provided at a network facility or by a participating provider. The <u>deductible</u> renews each year. See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible</u> ? | Yes. The <u>deductible</u> does not apply to care rendered at a network facility or by a participating provider, preventive care services as defined by the federal Patient Protection and Affordable Care Act (PPACA), hearing aids, prosthetic wigs, modified solid food products, second opinion for cancer diagnosis, external mastectomy prostheses, emergency services, emergency ambulance services, services under the Managed Physical Medicine Program, or prescription drugs. | Most services rendered by a participating provider or at a network facility require only a copayment and do not count toward the Basic Medical Program <u>deductible</u> . The <u>deductible</u> only applies when you receive out-of-network services.                                                                                                         |
| Are there other <u>deductibles</u> for specific services?           | Yes. \$250 per enrollee, per spouse/domestic partner, and per all dependent children combined for non-network Managed Physical Medicine Program. There are no other specific <u>deductibles</u> .                                                                                                                                                                                                                                                                                        | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this plan begins to pay for these services.                                                                                                                                                                                                                 |
| What is the <u>out-of-pocket limit</u> for this plan?               | In-Network Max: Individual \$8,550/Family \$17,100. Out-of-Network Coinsurance Max: \$3,750 (\$1,875 for enrollees in positions at or equated to Grade 6 or below or earning less than \$38,651 for UUP) per enrollee, per spouse/domestic partner, and per all dependent children combined.                                                                                                                                                                                             | The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.                                                                                                                                                        |
| What is not included in the <u>out-of-pocket limit</u> ?            | Premiums, balance-billed charges and health care this plan does not cover do not count toward either <u>out-of-pocket limit</u> . In-Network Max excludes non-network expenses and ancillary charges. Out-of-Network Coinsurance Max excludes facility copayments, penalties, and expenses incurred under the Prescription Drug Program, Managed Physical Medicine Program services or Home Care Advocacy Program (HCAP).                                                                | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .                                                                                                                                                                                                                                                                    |

| Will you pay less if you use a <u>network provider</u> ? | Yes. See <a href="http://www.cs.ny.gov/employee-benefits">www.cs.ny.gov/employee-benefits</a> or call 1-877-7-NYSHIP and choose the appropriate program for a list of participating providers. | If you use an in-network doctor or other health care <u>provider</u> , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network <u>provider</u> for some services. Plans use the terms in-network, <u>preferred</u> , or participating for <u>providers</u> in their <u>network</u> . See the chart starting below for how this plan pays different kinds of <u>providers</u> . |
| Do you need a referral to see a <u>specialist</u> ?      | No. You don't need a referral to see a specialist.                                                                                                                                             | You can see the <u>specialist</u> you choose without permission from this plan.                                                                                                                                                                                                                                                                                                                                                                                |

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
